Experience the ultimate summer camp adventure by joining the Vancouver Circus School! Run away and join the circus as you try out high-flying aerial silks, bouncy trampolines, juggling props, and more. These one-of-a-kind day camps are designed for children aged 6-16, and welcome all fitness levels and abilities. Over the course of the camp, students will learn and hone their skills in preparation for the Big Show at the end of the week. Parents, family, and friends are invited to witness the accomplishments of their little daredevils, acrobats, and aspiring aerialists as they proudly showcase their exciting week of fun and adventure at the circus!
